**5) The next page that comes up provides you with the amount of Bitcoin to send. Send your funds in bitcoin (not USD) and send exactly the amount that is shown. Copy the bitcoin address below the QR code to your bitcoin wallet – send to address. Or, better yet, if you have your bitcoin wallet app on your smart phone then just use that to point your phone camera at the QR code to send.**

QR Code  
If you have a bitcoin wallet app on your phone use this QR code to make your transfer.

If you DO NOT have a bitcoin wallet app on your phone:  
Copy and paste this Bitcoin Address to your Bitcoin wallet as the address to send your bitcoin to.
